

Philippians 1:9-

“And this is my prayer that your love may abound more and more in knowledge and depth of insight, so that you may be able to discern what is best and may be pure and blameless for the day of God.”

More New Year Opportunities:

Inspired to dig deeper this year? I would love for us to stay connected and together grow stronger and dig deeper throughout the year. It’s as simple as subscribing to my website to get periodical updates created with encouraging you in mind. My website (<http://www.sherryeifler.com>) is the avenue to discover how we can work together to create a personal growth plan centered on your dreams and goals.

Committing to my own personal growth was one of the best things I ever did. Investing in my own Personal Coach and attending regular growth focused training years ago was the beginning of defining my life’s purpose. I know it was the development of my personal awareness and accountability that moved me beyond many limiting beliefs in my life, which created a new path for my life’s journey.

I’m here when you’re ready to commit to your personal growth.

New Year Prayer Focus Planner:

Back Ground:

Thank you for joining the New Year Prayer Focus movement. A few years ago I was casually talking about New Years plans with a friend. My plans were the usual gathering with family and friends for games, food, fun, and watching the ball drop. My friend shared her plans with me... "To pray in the New Year!" My heart was envious that is what I wanted to do but it was too close to change plans. What was I to do? I adapted the concept into this **Prayer Focus Planner**. I hope you are empowered by this prayer-planning guide.

How the Prayer Focus Planner works:

Maybe you are like me and thinking I can't change my plans or my family will not go for a night of prayer. The New Year **Prayer Focus Planner** is not about changing your plans it's about changing your focus.

This is a prayer focus guide that you can refer to as you pray in the New Year. You can choose one of the suggested formats below or determine your own. My hope is that you will just pray

Prayer Focus Planner Options:

1. Starting at 12:00pm set aside 5 – 10 minutes to pray during that hour of the day. Each hour you will pray about a new prayer focus that you have pre-determined and listed in the guide.
2. Use the same format as above but rather than just praying also listen to a song of praise or journal any thoughts you have about the hours prayer focus.
3. Remember this is a guide. The purpose is to pray in the New Year the best way for you. Enjoy!
