## Day-by-Day Guide

*24/7 PRAYER NET*

**Introduction:** The purpose for 511 Alert is a call to pray, fast, and declare God's victory and is established in conjunction with the 24/7 Prayer Net daily call.

Starting in October through December we invite you to join us the 5th through the 11th of each month for an additional prayer focus to finish and start the year strong in the Lord's victory.

The first 5 -11 Alert took place on August 5 -11. I recently was prompted by the Lord to establish it now through the end of 2024 and invite those on the 24/7 Prayer Net daily call to participate.

Participation can be through agreement in prayer, declarations, and fasting as the Lord leads each individual in obedience to the Father.

We pray you will join us either on the live 24/7 Prayer Net call or participate with the YouTube recorded prayer guide. The live call details will be listed each weekly prayer guide and the YouTube information is at the website: <https://24-7PrayerNet.app>

What to expect on the live call:

- We will open with prayer then read together out loud the 24/7 Prayer Guide for the week and on the 5 -11 of the months of October, November, and December (verses, declarations, and for Israel)
- Before moving into the open praise and prayer time we will read the prayer and decrees for the day of the week listed below in this day-by-day guide.
- Once complete we will move into the open praise and prayer time.

How to incorporate in the YouTube Guide:

- Follow the prayer guide as normal reading along the opening prayer, verses, declarations, and for Israel.
- During the pause for open pray and praise read the prayer and declarations for the respective 511 Alert day before beginning the open prayer and praise time.
- Conclude with the closing prayer.

The 511 Alert Day-by-Day Guide overview:

- A call to fast as the Lord leads us as individuals. For some it maybe a fast to feast on the presence of the Lord and the Word (bread of life) He sets before us in the presence of our enemies. The fast portion is private and personal unto the Lord.
- Prayers and declarations are from the Reflection Scriptures listed for each day and the communication modes associated with each day of the 511 Alert. This portion is our community portion where we speak them aloud in unison on the prayer call.
- Personal path scriptures are from the three main focuses to step in for deeper partnership with God's call to victory in Joshua, Esther, or Hebrews. This is a personal section consider keeping a journal to record what the Lord is revealing to you. He desires to take us deeper in our knowledge of Him and higher in our communication with Him. Let's step in fully with our eyes and ears wide open to the new revelation in Jesus.

Luke 24:45 "Then He(Jesus) opened their(the disciples) minds so they could understand the Scriptures."

Let it be with our minds and understanding!
