The 511 Alert Day-by-Day Guide Overview:

- · Communication focus highlights declarations and decrees aligned with communication numbers that are called in the United States of America for different information. The Lord is clearing up our kingdom communication with him and within the body and bride of Christ.
- Prayers and declarations are from the Reflection Scriptures listed for each day and the communication modes associated with each day of the 511 Alert. This portion is our community portion where we speak them aloud in unison on the prayer call.
- A opportunity to fast as the Lord leads us as individuals. For some it maybe a fast to feast on the presence of the Lord and the Word (bread of life) He sets before us in the presence of our enemies. The fast portion is private and personal unto the Lord.
- Personal path reflection scriptures are from the three main focuses the Lord highlighted. Each invite us to step into deeper partnership with God's call to victory in Joshua, Esther, or Hebrews. He desires to take us deeper in our knowledge of Him and higher in our

communication with Him. Let's step in fully with our eyes and ears wide open to the new revelation in Jesus.
